kittens  medical dogs or cats  unweaned puppies  unweaned kittens

behavior dogs/ puppies  behavior cats/ kittens

Please initial next to each statement below. By initialing next to each statement you are letting us know you agree to and understand each statement.

I understand the foster(s) in my care is not allowed out of the home or the confines of my yard with a fence without being on a leash.

I understand the foster(s) in my care is not allowed at any dog park without permission from Sarah Johnson or Megan Everett.

I understand the foster(s) came from either an unknown environment or the shelter environment and could be harboring unknown illnesses or intestinal parasites that could be spread to my animal. I understand a 48 hours quarantine is ideal to make sure the foster(s) does not affect any of my pets.

I understand the Parish Paws Animal Rescue is not responsible for any damages done to my home that the foster(s) in my care may have caused.

I understand that when I am not home, the foster(s) need to be in the confines of a kennel.

I understand that any illness / vet bills my dog or cat may contract from the foster(s) will not be Parish Paws Animal Rescue's responsibility.

I understand that if my foster(s) have a committed rescue with one of our partners they are not available for adoption.

I understand my foster(s) will have vet appointments that they will need to attend or transportation to those appointments will need to be arranged, if I am not available to take.

I understand that if my dog foster(s) is under 4 months of age, they are not allowed outside and my cat foster(s) are not allowed outside at all.
